Model: MAN-T387BBQ - Grill Surface Gauge

- Grill surface gauge,
- Stainless steel,
- Designed to sit it on the grill, plate or frypan to know when it is hot enough to grill to perfection,
- Temperature range of 50° to 300°C (+120° to +570°F),
- Dial is marked with the best temperature range to sear and grill,
- Find hot & cool places on your plate (BBQ plate that is!).

Model: MAN-T720CBBQ - Meat Thermometer

- Temperature guide included on the dial face. The dial pointer points to the level to which the meat is done, or 'cooked to', in the centre, or where the end of the probe is placed. You remove the meat from the BBQ when the dial points to your desired level of 'doneness'
- Glow in the dark dial and pointer
- Dial size: diameter 61mm
- Wide temperature range marked: 40°C up to 80°C (100°F up to 170°F)

Leave in the meat while it cooks!

Model: MAN-H3 - BBQ Skillet Basket

- Non-stick skillet basket 300mm diameter
- Rounded foldable premium wood handle for easy storage
- Fantastic for grilling smaller foods like prawns and veg or chicken nuggets, etc
- The wooden insert on the handle makes sure it doesn't get too hot to handle!
- See the video on the web site.

Model: MAN-V2 - Fish Basket

- Fish basket so you can grill a big whole fish or fillets over the grill
- No problem of having them break up as you turn them over and stick if you cook them on the plate.
- Food Grade wire 68cm with extra long handle.
- Wooden insert in the handle makes it cool enough to handle straight out of the grill.

Model: MAN-V1 - Hamburger Basket

- Hamburger patty basket so you can grill 4 hamburgers at the same time.
- Try grilling 2 burgers and 2 big mushrooms at the same time!
- 55cm with extra long handle with wooden insert,
- You have not had a burger until you have had one from this – cooked over the flame grill!

Model: MAN-V4 - Corn Cob Basket

- Corn Cob Griller with 495mm extra long handle.
- Chrome plated wire and the wooden insert in the handle makes it cool enough to handle straight out of the grill.
- Grill 4 cobs at once and get those lovely smoky BBQ flavours though the corn. Then drizzle over your melted butter & enjoy!
